Re: Late-File Exhibit 10 for filing **UNDER SEAL**, pursuant to February 26, 2021 oral pronouncement of Commission.

Docket: 2020-229-E

Ms. Boyd:

I represent Intervenor Alder Energy Systems, LLC in docket 2020-229-E. On February 26, 2021, the parties appeared before the Commission for evidentiary hearing. Commissioner Carolyn Williams requested that Alder Energy file a late-file exhibit containing information relative to certain solar proposals made by Alder. By oral pronouncement at hearing, Chairman Justin Williams ordered Alder Energy to file a late-file exhibit **UNDER SEAL**, complying with Commissioner Williams' request.

I write to comply with the Commission's order. Contemporaneously with this filing, Alder Energy delivers its Late-File Exhibit 10 to the Commission for filing **UNDER SEAL**. The late-file exhibit does not contain the identity of any persons or entities to which the company made a proposal, nor any other potentially identifying information. A copy of the seal notation, affixed to the parcel containing Late-File Exhibit 10, is enclosed.

For purposes of transparency, a copy of Late-File Exhibit 10 is also served upon Dominion Energy South Carolina, Incorporated, pursuant to an agreement to maintain the confidentiality of the record.
